Dipa,

Here are the sampling results from the stained soil below the Gulfco tanks; sample info (depth, map) is in another email that I will also forward to you. I would like to discuss these results with you regarding risk.

Thanks,

Hi Gary –

As we discussed, attached are the preliminary data for the AST containment area verification soil samples collected last Thursday. Please let me know if you have any questions or comments. I will provide the final data and any associated statistical calculations upon completion.

Thanks.
